

☆Nanzan Business School MBA Program☆

Nanzan University Graduate School of Business Administration

Schedule for Introductory Seminars in 2012

(Admission free)

Nanzan Business School (NBS) is pleased to announce the following schedule of introductory seminars for applicants considering obtaining a Master's of Business Administration (MBA) degree at Nanzan University from April 2013. These free, 90-minute seminars introduce the Nanzan MBA program including curricula, schedules, admission policy, and application procedures. A sample lecture and both group and individual question and answer time are included. Anyone interested in earning an MBA in Japan is strongly invited to attend. No pre-session registration is required.

Guidance on MA and PhD programs in Administration will also be available from 1930 until 2000 at Winc Aichi
